Transition Automation, Inc. to exhibit advanced self-cleaning squeegee systems at Bias Show, Milan Italy

August 8, 2006 – N Billerica, MA—Transition Automation, Inc. will be showcasing the latest self-cleaning squeegee technology at the Bias Show in Milan Italy, September 20 through September 23, 2006. The exhibit is at booth number: E11-F20, Hall 18 via Transition's exclusive Distribution partner Cabiotec. Included along with the new self-cleaning squeegee technology is an entire line-up of new Patented Universal Holder designs, to enhance the ergonomics and durability of the company's line of squeegee products.

Transition Automation, Inc. is a world-wide leader in the manufacturing and distribution of Permalex Edge Metal Squeegees, holder systems and advanced self-cleaning squeegee systems. Founded in 1989, Transition Automation, Inc. continues to advance the state of the art in surface mount solder paste printing, by innovating the critical and high cycle squeegee component of the SMT process. The company is located at 101 Billerica Avenue, Building 5, North Billerica, MA 01862. Phone: 978-670-5500; Toll-Free U.S.: 800-648-3338; Fax 978-670-2300, Web: www.transitionautomation.com If you would like more information or pricing on these products visit www.transitionautomation.com.
