Transition Automation hires Industry Veteran as Vice President of Sales

September 29, 2006 – N Billerica, MA—Transition Automation, Inc. announces today that Mr. Alden D. Lewis has joined the Company as Vice President of Sales. Mr. Lewis has over 20 years of experience in executive sales positions with industry leading companies including Vitronics, Conceptronics, and MPM Corp.

In this new position, Mr. Lewis will be expanding Transition Automation's sales department to better extend Transition's leading technology products to the top Contract Manufacturers, and OEM Electronics producers. Mr. Lewis is also engaged to help integrate Transition's R&D developments into large scale SMT production operations.

Transition Automation, Inc. is a world-wide leader in the manufacturing and distribution of Permalex Edge Metal Squeegees, holder systems and advanced self-cleaning squeegee systems. Founded in 1989, Transition Automation, Inc. continues to advance the state of the art in surface mount solder paste printing, by innovating the critical and high cycle squeegee component of the SMT process. The company is located at 101 Billerica Avenue, Building 5, North Billerica, MA 01862. Phone: 978-670-5500; Toll-Free U.S.: 800-648-3338; Fax 978-670-2300, Web: www.transitionautomation.com If you would like more information or pricing on these products visit www.transitionautomation.com.
